

# The Smith Connection

## 5-Day Kid's Clubs

It was a joy to be involved in two 5-day clubs recently. Between the two clubs we averaged around 35 kids, 13 of which trusted in Christ during the week. It was also neat to see some youth from our church involved as summer missionaries and helpers. Another result from the week is a neighbor family showing interest in studying the Bible with us. **Praise God!**

## Cut & Pray

- For Lori and the kids as they gear up for another year of school
- For Bryan as he helps our mission through a restructuring process
- For a new Bible study with our neighbor Lucy and her family
- For consistency in our BEING and MAKING disciples for Jesus
- For Bryan in his Masters' study program at Puebla Bible Seminary
- For Carlos, Jonatan, Hugo, Gerardo, Jose Luis, and Miguel as Bryan evangelizes and disciples them at their various stages
- For continued growth and development of the New Birth Bible Church
- For our health and safety as we minister and travel

Thanks for praying!

## MEN'S RETREAT

In June we helped plan a men's retreat for around 90 men from our Bajio region. Bryan was on the organizing committee and Lori and some ladies from our church did kitchen duty. The focus was on men being the leaders that God wants them to be for their families. **We praise God** for the good turn out and the great time of learning and fellowship.

## Masters' Program

God has once again allowed me (Bryan) the opportunity to work on my Masters' degree. In June the Puebla Bible Seminary here in Mexico launched a new Masters' program in Pastoral Leadership. This is a modular program with about four classes per year over the next few years. The first course on Spiritual Leadership was very practical and has already been a blessing in my life and ministry. **I praise God** for this new opportunity to grow and learn along side my fellow mostly Latin brothers and sisters.
